DATA PROTECTION

All information that we hold concerning you will be held and processed by the Company strictly in accordance with the provisions of GDPR and the Data Protection Act.

Such data will be used by the Company to administer our relationship with you as a valued customer and to provide you with information about the Company's activities for related business purposes. We will not, without your consent, supply your information to any third party except where such a transfer is a necessary part of the activities that we undertake or where we are required to do so by law.

If you do not wish the Company to process, or at any time to stop, using your information for the purposes of direct marketing then you may request us not to begin or to cease this activity at any time.

As an individual you have a right to obtain information from us concerning the data that we hold on you. Should you have any queries concerning this or should you wish to see the information we hold on you then please contact our HR Department.
